<sup>1</sup> The following entries reflect the fact that Privilege Log numbers 64, 57, and 54 are email threads in which Jennifer Lewis, Attorney for the State, forwarded Defendants' notices of subpoena email to Teena Gunter in the thread. Since cells on Excel can only be expanded to the height of 409, all of Defendants' attorneys would not fit in a readable format in the States privilege log. Please note that these individuals are included at the bottom of these email threads in the original email that was forwarded.
